BUREAU OF FINANCE AND MANAGEMENT

**M E M O R A N D U M**

**TO:** Interim Joint Committee on Appropriations  
State of South Dakota

**FROM:** Jason C. Dilges, Commissioner  
Bureau of Finance and Management

**SUBJECT: Proration of Investment Income**

**DATE:** July 15, 2015

In accordance with the provisions of SDCL 4-5-30,<sup>1</sup> the attached Company Table contains the recommendations for the designation of companies as either "participating" or "nonparticipating" in the proration of investment income earned in FY2015. Classification of companies is as follows:

- P - Participating (the earnings attributable to the company are returned to the company).
- NP - Nonparticipating (the earnings attributable to the company are deposited in the state general fund).
- P\* - Excluded from the proration process (these funds receive special treatment which does not conform to the automated proration process {e.g., Investment of State Funds}).

The company table includes the recommended designations of all funds on the state's central accounting system. Preceding the table is a list of recommendations for new companies or cash centers that were not involved in the FY2014 proration process, or companies that were involved in the FY2014 proration process for which a change is recommended for the FY2015 proration. All other companies contained in the table are recommended to keep the same designations as those for the FY2015 proration process.

---

<sup>1</sup>The appendices following the list of recommended designations are provided for your information and highlight the statutory authority for the proration process (Appendix A), and the general guidelines used by the Bureau of Finance and Management in the designation of funds (Appendix B).

new cash center for FY15  
change of designation from FY14 recommended

**SDCL 4-5-30**

The state investment officer, utilizing the facilities of the state budgetary accounting system, shall pool cash accounts within the funds enumerated in § 4-5-23. The Appropriations Committee of the Legislature, upon recommendations from the commissioner of finance and management, shall certify those funds which are to participate in the interest income of the pooled investments. The state investment officer shall credit the gain or interest due as a result of investments made pursuant to § 4-5-29 on a pro rata basis to the participating funds in the same ratio as the average daily cash balance of each fund bears to the total average cash balance of all funds.

If requested by the state investment officer during each fiscal year, the state treasurer shall transfer money from the South Dakota retirement fund, health care trust fund, education enhancement trust fund, the trust fund derived from the sale of state cement enterprises, the general fund portion of the pooled income account for the permanent school and other educational fund provided for in S.D. Const., Art. VIII, and any other specific fund approved by the Bureau of Finance and Management, other than the state pooled fund, to the investment council expense account in an amount not to exceed the ratio of the average assets in each fund for the previous fiscal year to the total average assets managed by the investment council, other than the state pooled fund, for the previous fiscal year multiplied by the difference between the budget of the investment council for each fiscal year and the total of the current fiscal year beginning cash balance in the investment council expense account plus two hundredths of a percent of the prior fiscal year's average assets in the state pooled fund. If requested by the state investment officer during each fiscal year, the state treasurer shall transfer money from the pooled income account to the investment council expense account in an amount not to exceed two hundredths of a percent of the prior fiscal year's average assets in the state pooled fund. The state investment officer may make multiple transfer requests during the fiscal year, with each request being proportionate among the funds, provided that the total transfers do not exceed the amounts provided by this section.

## APPENDIX B

  - c) Not received as payment or appropriations from one entity to another for the cost of specific services or products.
- 3) Federal Funds that are matched with or are used in conjunction with participating funds other than the state general fund.
- 4) Clearing account funds that are ultimately deposited in a participating fund other than the state general fund.
- 5) Trust funds that are holding assets upon which interest is paid when the assets are claimed or returned.
