The Governor is recommending a 2.4% market adjustment for state employees.

A decrease to the employer paid portion of the State Employee Health Insurance Plan is being recommended.

The Governor is recommending to use Health Insurance savings to reinvest in employees by raising the artificial minimums and equitably addressing compression issues for longer term employees.

For FY2022, the components of the state employee compensation plan are recommended as a pool in the Bureau of Finance and Management to be distributed to agencies following the passage of the General Appropriations Act.
