

State Fiscal Recovery Funds

Various Departments

Overview

Governor Noem’s recommended budget includes a proposal to allocate the remaining \$130.6 million in one-time federal American Rescue Plan Act (ARPA) State Fiscal Recovery Funds. This funding will boost core infrastructure projects across the state.

Description

The 2022 legislature appropriated \$870.0 million of the total \$974.5 million the State received in State Fiscal Recovery Funds. The Governor’s recommendation would reallocate \$26 million in savings from the original appropriations and allocate the remaining funding to the Department of Agriculture and Natural Resources, the Bureau of Human Resources and Administration, and the Department of Corrections in the following manner:
