4-7-1.1. Definitions. For the purposes of this chapter:

- (1) An "advisory body" is one which serves as an official consultant or advisor to a state agency without making formal policy decisions for the agency or its programs;
- (2) A "legislative body" is one composed primarily of legislators pursuant to chapter 1-4, 1-26, 1-26B, 2-6, 2-9, 2-11, 2-16, 4-8A, 4-8B, or 6-11;
- (3) A "management body" is a policymaking body which has additional duties, responsibilities, and authority such that they place additional demands upon the body's members in terms of attending meetings, dealing with state agencies and the public, and being knowledgeable in the body's specific subject area; and
- (4) A "policymaking body" is one which monitors and directs the work of an agency by making official policy either through rule making, licensing, or regulatory authority.

4-7-10.4. Budgeting and appropriations for compensation and expenses of members of state boards and councils and management, policy making or advisory bodies. The budget report of the Governor for each odd-numbered fiscal year shall contain a separate schedule disclosing the current salaries or per diem compensation and allowable expense reimbursement for appointed members of all boards, commissions, councils, committees, and all other statutory or executive created management, policy making, or advisory bodies of the executive branch of state government, whether appointed by the Governor or not, and the recommendations for each of the next two fiscal years. The appropriations committees of the Legislature shall review the recommendations and include in a separate section of the general appropriations act the salary or per diem compensation and allowable expense reimbursement for each such body, based upon whether it be a management, policy making, or advisory body, and which shall constitute the salaries or per diem compensation and allowable expense reimbursement increases for members of such bodies for the next two succeeding fiscal years.
