BOARD OF REGENTS

1517 South Dakota Scholarships

MISSION:

The Board of Regents' system is charged with the responsible use of available resources to support and encourage the intellectual, cultural, and ethical development of students. As an information revolution touches all aspects of the labor force and the community, the understanding and application of information technology is an increasingly important part of that development. Maintaining an appropriate technology infrastructure requires investment in physical capital in the form of hardware and software, as well as investment in human capital in the form of training of faculty, staff, and students to productively apply emerging technologies across the curriculum.
