

# AGRICULTURE

## 03 AGRICULTURE

### Mission:

To promote, protect, and advocate the interests of agriculture; to encourage wise management and protection of the state's soil, water, range, and forest resources; to promote economically and environmentally sound agricultural practices; to protect, maintain, and develop market opportunities for South Dakota crop and livestock industries; and, to protect producer and consumer interests by inspecting and regulating agricultural products.

## 031 Agricultural Services & Assistance

### Mission:

To carry out the department objectives; to protect the producers and consumers of agricultural products from unsafe practices, product misrepresentation, and unfair trade practices; to protect public health and ensure agricultural commodities will be eligible for export from South Dakota by developing policy and legislation; and, to ensure coordination and communication with producers, landowners/managers, and agricultural businesses to ensure effective enforcement of statutes and rules.

The mission of the South Dakota Wildland Fire Division is to provide protection for resources and the public that we serve from wildland fire.

## 032 Agricultural Development & Promotion

### Mission:

Agricultural Development Division -

To perform administrative functions for the department in an expedient and efficient manner through policy formulation, implementation, and financial management; to work with individuals, agricultural groups, the legislature, South Dakota's congressional delegation, and other state and federal agencies to evaluate and respond to issues that affect South Dakota agriculture at the state, national, and international level; to provide service to the public and inform them about agriculture, its opportunities, challenges and needs; to provide a leadership role in educating, assisting, and guiding the public to foster opportunities to add real value to South Dakota agricultural commodities, including livestock and crops; to evaluate and foster development of markets for South Dakota agricultural commodities and agricultural products derived from such commodities; to sustain the viability of South Dakota agriculture producers by providing access to capital at rates producers can reasonably be expected to pay; and, to provide beginning farmers and ranchers access to capital at lower rates through the Value Added Finance Authority.

Division of Resource Conservation & Forestry -

To conserve, protect, improve, and develop the natural resources of South Dakota for its citizens.

## 033 Animal Industry Board

### Mission:

To prevent the importation of animal diseases in the state by requirement of certificates of veterinary inspection, permits, and tests on all imported animals; to provide animal identification systems for maintenance of animal health and food safety; to maintain an adequate surveillance system for disease including testing blood and tissue samples for a number of disease control programs; to inspect and test for emerging diseases, emergency diseases, and eradicated diseases; to conduct and control eradication programs and certification programs for animals in the State; to regulate the livestock auction markets and livestock dealers by inspection, licensing and bonding; to license and inspect rendering plants and enforce the disposal of dead animals; to enforce the animal welfare laws (inhumane treatment) of livestock; to regulate certain nondomestic animals; the South Dakota Meat Inspection Program is maintained to protect the consumers of South Dakota under a "Self Assessment Program" as "equal to Federal" Meat Inspection Program. The inspectors also do processing inspection, inspect each custom exempt facility, and each retail store meat processor for sanitation.
